BACKGROUND

Ilong Company Limited is a registered South Sudanese company providing constructions, general supplies, internet and ICT services and general supplies.

Ilong Company Limited is a diversified, innovative, and forward-thinking general trading company providing solutions across multiple sectors including construction, Construction, Catering Services, Transportation, Logistics Supplies, General Supplies, Relief Supplies and more.

Our company was founded with a clear purpose: to deliver reliable, high-quality, and customer-focused services that improve lives and support economic growth.

With a broad service portfolio and a commitment to excellence, we stand as a trusted partner for individuals, government agencies, NGOs, and private organizations.

ABOUT US

The company is a legally registered limited liability company, formally registered by the Ministry of Justice. The company is a member of the South Sudan Chamber of Commerce and registered by other Government institutions including Directorate of Taxation.

Ilong Company Limited operates as a fully registered multipurpose company providing end-to-end solutions in various industries. Over the years, we have grown by leveraging technology, skilled personnel, and sector expertise to deliver value-driven services.

We take pride in being a dynamic company capable of adapting to market needs while maintaining a high level of professionalism, integrity, and efficiency in all operations.

MISSION

Wherever and whenever we operate, we commit to:

- Delivering productive, safe, and ethical services
- Utilizing well -qualified engineers, technicians, and administrators
- Applying the latest engineering technologies and best practices
- Meeting customer needs with exceptional performance, cost-effectiveness, and quality
- Supporting sustainable development and the 17 sustainable development goals.

VISION

To be a professional, competent, and customer -oriented engineering company that is recognized globally for its integrity, creativity, and commitment to sustainable development. We aim to work collaboratively with national and international bodies to support peace, stability, and the progress of the construction industry.

CORE VALUES

- o **Quality:** Delivering high-standard training programs.
- o **Practicality:** Focusing on hands-on skills and real-world application.
- o **Integrity:** Operating with transparency and ethical conduct.
- o **Empowerment:** Enabling individuals to achieve their career goals.
- o **Community Focus:** Contributing to the development of the local workforce.
